RE: College/High School Student Check Point

Hualapai Community, high school students will be returning to the community today. We welcome the students home but must take precautionary steps to reduce the potential of COVID-19 entering the community. Below is the students estimated time of arrival to Peach Springs, AZ. We have set up a check-point at the 66 Park located downtown where Peach Springs EMS will check each student to evaluate for potential symptoms of COVID-19.

Should EMS evaluation identify an individual as a potential carrier, the student will be isolated at the Hualapai Lodge. Indian Health Services will further evaluate the student to verify if the student will be self-isolated.

Scheduling

- 5:00PM Southwestern Indian Polytechnic Institute (5 students)
- 8:00PM Chemawa Indian School (5 students)
- 11:00PM Riverside Indian School (26 students)

Parents of students and education coordinators please have the transport driver's contact Peach Springs Dispatch at 928.769.2205 when the transports are within 15 miles of the 66 Park.

I do apologize for the short notice but it is important to take preventative measures to reduce the potential of COVID-19 within the community.

If you have questions please contact me at 928.769.2312.
